

Fund trading 2019

Information on the planned closure of trading in funds is provided below. The funds can also be closed in an emergency at the time of unforeseen market events.

Valuations do not occur when the fund is closed, although orders for buying and selling units can be registered and transactions executed at the next subsequent market valuation when the fund reopens for trading.

The information in the table is applicable as of the publication date and may be adjusted.

Mutual funds - closed for trading

- When a public holiday is observed in the fund's country of registration.
- When the fund has approximately 30% or more of its investments in one or several markets in which the trading venues are closed.

Mutual funds - early cut-off times

- Days when the equity and fixed income markets have irregular operating hours.
